Dear Prime Minister

**Re: Petition for an Immediately Public Inquiry**

Please find attached a petition urging an immediate Public Inquiry submitted on behalf of the COVID-19 Bereaved Families for Justice UK, a group of more than 450 bereaved whom we represent.

The group would strongly hope to be able to discuss this with the Government before a decision is made in relation to their request. Would it be possible for a remote meeting to take place week commencing 15 June 2020?

If not, we would hope to hear from you with a full response by the end of next week, by 19 June 2020.

Thank you for your kind attention.

Yours sincerely
